Some Things You Know and Some You Don't Know About Our Towns, County & People

300 bushels of red oats for sale. G. A. Ellis.

—Seven yoke work oxen for sale. Gideon Reid, Lake Toxaway, N. C.

—Money to loan at a low rate of interest. See James Kirksey Jr., Crow Creek, S. C.

—Governor-elect Cole L. Blease is reported very sick at his home in Newberry.

—If you want a good little place near Six Mile, Call on J. R. Ashmore, "The Land Man."

—Dr. E. G. Kerwin, dentist of Easley, will be in Pickens every Wednesday. Office over Keowee Pharmacy.

The managers of the state and county election can get the boxes at any time by calling on G. R. Hendricks or W. L. Jenkins at Pickens.

J. A. Smith, photographer, will be in Pickens on Mondays of each week instead of Saturdays as heretofore. All who want first class work see him.

—Dr. R. Kirksey and wife of Cache, Oklahoma, are on a visit to the former's parents, Mr. and Mrs. J. K. Kirksey of the Crow Creek section of the county.

The town of Easley will have a Gala Week November 14 to 19 inclusive. We have been informed that there will be a number of attractions on the grounds and everybody is promised a good time.

—Married, Oct. 30th, 1910, at the residence of the officiating notary public, M. F. Hester, Mr. Buren Burgess to Miss Ada Moser of Pickens. Mr. Burgess is a son of Mr. William Burgess who is a prosperous farmer of this county. Miss Moser is the beautiful daughter of Mr. John Moser, who has charge of Mrs. Fuller's place on Twelve Mile river.

—J. Stanley Farmer, who has been doing an excellent business as contractor and builder in Murphy, N. C., is spending a while with his parents near the old Twelve Mile Camp Ground. He says that the weather is cold up there for the time of year, there having recently fell a two inch snow.

—Dr. John McConnell, who resides in Pickens county, tells us an uncommon story, this, which we give to our readers. He says that he visited at Mr. Wm. Crenshaw's home in Oconee county some time in September and saw a hog that was thrust through the flank with a piece of plank, the plank being stuck 18 inches into the hog. The porker is alive and doing well.

—The managers for the state and county election are the ones that served in the primary elections. In the make up of the notices of election last week we got the managers transposed. Those published as being the managers for the federal election should be those for the state and county elections. We hope the managers will understand how it was and be governed accordingly when they come for the boxes, tickets and instructions.

## NOTICE.

I will sell to the highest bidder for cash at my residence near Mountain Grove church on November 10, 1910, one mule, wagon and harness, also lot of farm tools and some fodder.

C. E. Coleman, Pickens, R. 3.

## Hazel Notes

I will try and send in what news there is around.

Health is good and farmers up with their work picking cotton and peas and sowing small grain.

I believe there is more talk about the fair than there was about the candidates.

We want to thank the good hearted editor for the excellent "send off" he gave us through the columns of the dear old Sentinel-Journal some time ago. I believe the editor up to see how we carry on the work. [And go 'possum hunting?—Ed.]

Mr. Lee Fisher, accompanied by his wife and mother-in-law Mrs. Washington Galloway all of Rosman, N. C., spent the night with A. T. Winchester on the 7th ult. M. S.

## Liberty Locals.

Well, I believe I will write a few lines to the dear old Sentinel-Journal and let its readers hear from Liberty.

We have been having some real cool weather in this little patch of woods, though everybody is getting along fairly well picking cotton, and everything is just lovely.

Mr. Mack Cooper went to Central to see his best girl.

Mr. LeRoy Winchester who has been visiting friends and relatives in Piedmont for the past three weeks has returned to his home in Liberty and Miss "P" says she would like for him to permanently locate here.

Mr. J. C. Cooper, who has been visiting friends in Rosman, N. C., has returned home.

Mr. LeRoy Winchester went to Nine Times Monday and returned Tuesday. I don't guess they had enough b—e to suit the old coon.

Good bye Sentinel, good bye. Bonnie Blue Eyes.

## In Memoriam.

N. C. Powell, was born July 3d, 1890, and died Oct. 9th, 1910. He was twenty years, three months and six days old. Curtis as he was familiarly known was an exemplary boy, obedient, loving, kind, and was a true Christian and a consistent member of the Pickens Mill church, and was faithful in the discharge of his duties.

The night before he died he said that he was going home and that he did not fear the judgment.

To those who are left behind we can only say, Live as Curtis lived and look to the God he served who alone is able to bind up the broken hearts.

Curtis is not dead but entered into life eternal. Friend.

## ANENT THE FAIR.

Expressions by One Who Was Here and Took Part in the Exercises.

Twenty thousand appreciative citizens of Pickens county braved the inclement weather to participate in the fair program, which the officers of the fair had labored hard to perfect in every respect.

Governor-elect Cole L. Blease was present on the first day and made a speech that will live long in the minds of those who availed themselves of the opportunity that was offered them.

He assured our people that he appreciated the complimentary vote which we gave him and frankly stated that while he held no malice against those that opposed him honorably, he intended to stand by the men that were his friends when he needed friends.

He also spoke in the highest and most commendable way relative to the great order of the Woodmen of the World. He told that great body of men who took part in the parade that made the first day of our fair a glorious success, that they were erecting monuments of fame throughout this great country and further that their good deeds crossed the threshold of every home, no matter how humble it may be. Even the most satanic opponent cannot help but possess the kindest feeling for the man who tries to do that which is just and fair. Governor Blease has made a most favorable impression on the minds of those, be it opponent or friend that he is the man of the hour, and that it shall be his full determination to make South Carolina the best government it has ever had.

The Floral parade was one of the most attractive features of the fair. The owners of the automobiles in the town of Pickens spared no expense or trouble to make this part an overwhelming success in every particular. Hundreds of visitors from other sections of the state publicly and voluntarily proclaimed that it was one of the prettiest and most unique occasions of its kind. The ladies who participated deserve unlimited praise for their taste and selection, and while we feel there is little improvement, we hope that those who viewed the same as experimental will take advantage of this reality and further the cause with an unknown idea.

## Thousands Have Kidney Trouble and Never Suspect It.

How To Find Out.  
Fill a bottle or common glass with your water and let it stand twenty-four hours; a brick dust sediment, or settling, stringy or milky appearance often indicates an unhealthy condition of the kidneys; too frequent desire to pass it or pain in the back are also symptoms that tell you the kidneys and bladder are out of order and need attention.

What To Do.  
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills almost every wish in correcting rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. Corrects inability to hold water and a scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root is soon realized. It stands the highest because of its remarkable health restoring properties. If you need a medicine you should have the best. Sold by all druggists in fifty-cent and one-dollar sizes.  
You may have a sample bottle sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper and remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
